ACADEMY OF MEDICINE
OF CINCINNATI

5th Annual Southwest Ohio Internal Medicine Update & Review Course, 2021

About the Course

The Southwest Ohio Internal Medicine Update & Review Course is a board review course that will provide an intensive review of medicine for physicians preparing for the ABIM initial and recertification examinations. The course will also allow an in-depth review with recent updates for physicians and advanced nurse practitioners practicing internal medicine and other disciplines.

The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Cincinnati designates this live internet webcast activity for a maximum of 48.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 48.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information
