| **2** Leadership Team for the group formed | Dr. Paul Samuels, Dr. Jeff Schuler, Dr. Charlie Bernstein, Dr. Paul Heck, Natalie Peterson, Dr. Jennifer Molano, Dr. Anne Like, Dr. Herb Schumm, Dan Geeding, Ph.D., Jan Donley, Ph.D. | 2017 | - **The CCPW** was named not long after its first meeting in mid-2017 and decided to identify one key person from each participating health system to start a leadership team that would guide agenda formation and goal setting for the work to be done. All members of CCPW are volunteers.  
- **Focus defined:** Burnout Crisis Intervention, Physician & Family Wellness Resources, Physician Wellness, Primary Care Workflows |
| **2** The Opportunity: Utilize Resources and Fund Strategies to Support a Community Model | CCPW (Cincinnati Coalition for Physician Well-Being) | 2017-2018 | - **Together:** how can we leverage individual systems in a highly competitive community to promote physician well-being if we worked as one coalition serving the entire community of 6000+ physicians? Could we do more with our limited resources? How could our community benefit? Could we pilot/test practices that would have application across our system? Could our local community become a physician “attractor”?  
- CCPW invited to speak at the national conference in San Antonio about our success ([www.forphysicianwellbeing.org](http://www.forphysicianwellbeing.org)) 2018 |
| **3** A Key Partnership: Lindner Center of Hope | Dr. Paul Keck | 2018 | - **Provides** physician support to participating institutions within 24 hours of contact, and 24/7 access for medical emergencies.  
- CCPW supports 0.1 FTE for a psychiatrist and psychologist at LCOH; Cost per organization is $12,000.00  
- Invited VA Hospital to join with all member systems covering their cost  
- LCOH provides high level diagnoses data and participation rates |
| **4** Pilot Project Examples: Learning From Each Other and External Resources | Lead Organization | 2018-2021 | - J&J High Performance Institute, program on physician well being (TCHHN)  
- Team Based Care practices (2MA model) (BSMH and TCHNN)  
- Peer to Peer Mentoring (CCHMC)  
- Do No Harm and distribution (all systems and the Academy of Medicine)  
- Covid 19 Best Practices (All Systems)  
- VIA Institute on Character Strengths  
- Guest speakers on recovery strategies  
- Linkages- National Coalition for Physician Well-Being & resources  
- BSMH wins national Medicus Integra Award for physician wellbeing ([www.forphysicianwellbeing.org](http://www.forphysicianwellbeing.org))  
- Planning for our future (Leadership team with input from members) |
