### Call for delegates and alternates for OSMA Annual Meeting/House of Delegates

*Interested in serving?*

The Ohio State Medical Association (OSMA) will hold its Annual Meeting April 13-15 in Columbus. In preparation for the meeting, county medical societies around the state are asked to submit the names of delegates and alternate delegates for the meeting. The Academy of Medicine of Cincinnati serves as the Hamilton County medical society, which is a component of the OSMA First District.

Physicians in Hamilton County wishing to serve as delegates or alternates must be members of the OSMA. If you are interested in serving or need more information, please contact Academy Assistant Executive Director Nancy Coomer by [email](#) or call 513-421-7010, ext. 307, before February 5.

In addition, it is time to draft resolutions to be presented to the OSMA House of Delegates during the Annual Meeting. Resolutions adopted during the Annual Meeting are used to help guide the organization and provide an excellent means for members to have their voices heard at the state level. [Resolutions should be written to align with the OSMA's Strategic Plan](#). If you have questions or would like to submit a resolution, contact Ms. Coomer before February 9.
