

*CEUS will be available.

You're Invited!

We value EMS providers like you! Please join The Jewish Emergency Department, for FREE dinner, drinks and education! This evenings education will surround the clinical differences between CHF and COPD, including CPAP education and how it can work for everyone!

“Huffin’ and Puffin’: EMS Evaluation and Management of CHF vs COPD”

Presenting:

❖ Dr. Woods Curry

March 28th, 2018 6pm, Montgomery Location

Unit 2

RSVP by Monday March 26th to

Sally Hronek at
